Jeff –

Per our conversation, attached is the quote for 69 LPR cameras covering service for 5 years. If you read the email, he offered to let us have 1 year free of gunshot detection covering 2 square miles. FYI.

Good Afternoon Commander Cohen,

I have attached the proposal for 69 cameras pre-paid for 5 years.

I am happy to offer 2 Sq miles of our new gunshot detection solution free for 1 year as a complimentary service for for this order. The cost to continue the gunshot detection (if the city chooses to do so) after year 1 will be 25k per sq mile per year.

Thanks for being a great customer.

Best Regards,
